Dear Brendan

SUBJECT: MOBILE LIBRARY

Council's new Mobile Library has made a successful transition into full service and I am pleased to advise that it has generated very positive responses from its patrons. The overall quality and operational performance of the unit is a credit to your organisation and please pass on my congratulations to all staff involved with its design and construction.

Most importantly, Council's Mobile Library operational staff is impressed with the ergonomic layout of the unit and its ease of operation. The new unit has not posed any operational difficulties in any of its service locations throughout the City and Council's existing prime mover is hauling the unit well.

I thank you for your professionalism on this project and I trust that you will soon receive an invitation to attend the official launch of the new Mobile Library scheduled in July. I would be delighted if you are able to attend.

Should you require further information regarding the official launch, please contact me on (02) 4921 0667.

Yours faithfully

GLEN HATTANDER
